Water over the junction of Hwy 3 and Hwy 13; Hwy 49 now open; Both I-29, I-94 open, reduced to one lane in some areas

According to the North Dakota Department of Transportation (NDDOT), the junction of **N.D. Highway 3** and **N.D. Highway 13** is flooded, but traffic is still allowed. **N.D. Highway 49** is now open because the water over the roadway has receded.

I-29 and I-94 remain open, but water on the roadway has reduced traffic to one lane in the following areas:

- Interstate 94 east bound near Mapleton (mile marker 338), exit ramp also narrow due to water
- Interstate 29 south bound near Davenport exit (mile marker 54)
- Interstate 29 north bound near Horace exit (mile marker 56), exit ramp also narrow due to water
- Interstate 29 south bound near Argusville (mile marker 79)
- Interstate 29 south bound near Gardener (mile marker 86)

All travelers are encouraged to monitor road conditions, reduce traffic speeds as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.511.nd.gov for road and weather conditions.

Please be advised that information on 511 is updated daily from 5 a.m. until 9 p.m. CST. The 511 road report is based upon the information available to the NDDOT at the time of preparation and is provided solely as a public service. Conditions may vary from those reported.
